

# Geocache 2025

## Calling all kids! Big and small!

This year, we kicked it up a notch and added a few fun twists! Use the geographical coordinates provided to find the QR codes hidden at each park in Oakridge and Westfir. (There are seven!) Scan the QR code, solve the riddle, win prizes!

### How to Play:

**Step 1** - Visit [owtreeplantingfestival.org](http://owtreeplantingfestival.org) or [facebook.com/groups/544041229919374/](https://facebook.com/groups/544041229919374/).

**Step 2** - Get the Geocache Coordinates Sheet.

**Step 3** - Use the park name as a starting point. Type the coordinates into Google Maps exactly as they are shown.

**Step 4** - Follow the directions to find the QR Code.

**Step 5** - Scan the QR code and answer the riddle.

That's it! Answer the riddles, win prizes! The more you play, the more you win!

Please note: you do not need to get the riddle correct to get your prize. Just give it your best shot. This is for fun!
